Word from Our Pastor...

"Loving the Unlovable: Step Aside It's My Time"

Luke 18:35-40 Blind Bartemeus and Jesus

No longer allow people to get in the way of what God has for you and wants you to do. We have to cry even the more louder when folks get in the way of our process, progress, our promise of prospering!

Listen, everyone deserves to go through their process. Stop rebuking and go through!

Jesus called the man to come forth, then, He asked him the million dollar question, "What do you want me to do for you?" What is your answer? This man knew what he wanted from the Lord. He did not stutter - he spoke plainly, in faith, and definitely. He did not care what the people said nor thought, it was all about him and Jesus.

Bartemeus was not put off, he saw the "anointing in the moment". He knew he would not get this moment again. Timing is now. God has a set time - the time to move is when He moves. Time is a gift God has given to us.

Our real lives are "real" life. Today is the day, take the time to rethink everything. Listen, nothing we have done is not known by Jesus. He knows it all, that's why He was able to pay it all. It does not matter what you are coming out of, decide today, your past will no longer block your tomorrow, your future.
